## About Us

"**Advance Chemical And Fertilizers**", has gained regard among the prominent manufacturers, traders and suppliers of best quality Chemical Products within the few years of its establishment in **2015**. We are offering a large assortment of Industrial Foams, Waterproof Coatings and Industrial Adhesives. This offered range is prepared from optimum quality input factors with following the industry quality norms. Our offered range is highly appreciated by our clients for their optimum quality, high effectiveness, and long shelf life. To meet the individual's requirements, we are offering these products in various packaging options. Also, our offered products are highly used in the agriculture field.

We have constructed a state of art infrastructure unit at our end over a large area of land that is equipped with all the modern equipment, which helped to achieve the firm's targets. Further, our high patron and quality centric approach have helped us in gaining a huge client base. Moreover, we are also committed to safety and health of farmers as well as the soil equality. In addition to this, we especially focus on safe use and handling of these products at all levels during marketing and distribution.

Under the valuable guidance of our mentor, "**Mr. Gaurang Tambat**", we have listed our company among the top list manufacturers of best quality products. His deep knowledge and motivation inspire our team members to dedicatedly work towards the goal.
